Actions and demonstrations continue all over Europe to support the hunger strike resistance and break the silence around this resistance.

Actions in solidarity with the hunger strike and death fast resistance were organized in Osnabrück, Hamburg and Marseille.

Osnabrück

Activist in Osnabrück organised an action to raise awareness among German people about the hunger strike and death fast resistance. Activists talked to people and explained the reason of the hunger strike and underlined that there are over 7,000 prisoners fasting.

The demonstration started with a minute silent and the Çerxa Şoreşe anthem. After that Kurdish activists explained in German the demand of the hunger strikers.

Hamburg

A similar action was promoted in Hamburg where a rally was held to endorse and support the hunger strike and death fast resistance. The rally ended with a meeting held in Altona neighborhood where activists read a statement explaining the reason of the hunger strike resistance led by HDP Hakkari MP Leyla Güven and demanding the end of isolation against Öcalan.
